WINTER 2022

*Please do not send this newsletter back to Crossroads.*

“For to us a child is born, to us a son is given,  
and the government will be on his shoulders.  
And he will be called Wonderful Counselor, Mighty God,  
Everlasting Father, Prince of Peace.”

– Isaiah 9:6 (NIV)

Greetings from your Crossroads family!

As the winter days become shorter and colder, we pray that you are experiencing the warmth and comfort of God’s love. Some people enjoy the winter season, while others find it challenging and gloomy. In prison, winter can be especially difficult because the shorter days leave less time to be outside and active. Not being with family during the holidays can cause sadness or a heightened sense of loneliness. Yet many people find the winter months to be a time of spiritual renewal. Winter can supply more time for reading God’s Word and praying, and the Christmas season shines a light on the story of Jesus’ birth.

Have you ever wondered why we celebrate the birth of Jesus when it was His death and resurrection that made it possible for our relationship with God to be restored, our sins to be forgiven, and our eternity to be spent with God? Almost three hundred years after Jesus was on earth, around 312 AD, Constantine, the ruler of the Roman Empire, became a Christian. Constantine’s conversion to Christianity led him to issue an edict, or order, that ended the persecution of Christians in the area. It also paved the way for the Roman Empire to adopt Christianity as its official religion. Scholars estimate that up to twenty-five percent of the world’s population lived within the Roman Empire. As Christianity spread throughout the region, pagan temples were converted into church buildings. Holidays and festivals celebrating pagan gods were changed to honor Jesus. In fact, some people think that Christians shouldn’t celebrate Christmas because it was originally a pagan holiday called Saturnalia, dedicated to the Roman god Saturn. Christians in the early centuries of the Church no longer wanted a celebration to honor a pagan god that was not the true God, so they established what they called a “Christ Mass” to make sure the true God would be honored and worshiped. When Christians today celebrate Christmas, they are not taking part in a pagan celebration. They are celebrating the Son of God’s arrival on earth.

John, in his Gospel, wrote: *“The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth” (John 1:14).*

The birth of Jesus marked the beginning of the fulfillment of the promise God made to save His people from sin and its eternal consequences. Seven hundred years before Jesus’ birth, the prophet Isaiah looked forward to the promise of the birth of God’s Son (Isaiah 9:6). Christmas, for Christians, is the fulfillment of that promise. It is fitting that we remember and celebrate the fulfillment of God’s promise through the birth of His Son, Jesus.

## Still Receiving Roadmaps?

In the summer edition of *Just for Students*, we told you that we would be discontinuing Roadmaps and shared why we made this decision. However, to be good stewards of the resources God has given us, we are using up what was already printed, so you might still receive Roadmaps with some lessons. If you receive a Roadmap in your lesson, you may complete it and send it in with a completed lesson.

Looking for a way to continue studying God's Word between lessons? We encourage you to read and pray along with the entire Crossroads family using the Scripture reading and prayer guide included in this newsletter.

## Well Done, Good and Faithful Servant!

Throughout His ministry, Jesus told parables—short stories or illustrations that taught important truths about the Kingdom of God. Matthew 25:14–30 records the Parable of the Bags of Gold. This parable teaches us the included some Spread the Word enrollment cards with the fall edition of this newsletter for students whose facility allowed them. We encouraged you to share them with others at your facility who were interested in learning about God and studying His Word. In September and October, Crossroads received about 2,250 completed Spread the Word enrollment cards. By comparison, during the same two-month time frame last year, we received about 750 completed Spread the Word enrollment cards. Your efforts have resulted in a tripling of the number of people who have enrolled in Crossroads! 1,500 more people have become Crossroads students compared to September and October of last year as a direct result of your faithfulness to sharing the love of Jesus with those around you. Crossroads may not be the largest ministry to jails and prisons, but our students are doing amazing work for the Kingdom. Please join us in praying that each of these new students will grow in the knowledge of Jesus Christ. Thank you all so much! “Well done, good and faithful servant!” (Matthew 25:23)

## Scripture Reading and Prayer Guide: The Wisdom of Proverbs

As a new year approaches, many people make resolutions, or commitments, to change their behavior. Some people commit to losing weight, exercising more, or quitting a habit that isn't helpful or healthy. As 2023 draws near, we might want to look at improving our thinking and perspective about life. A changed mind comes before changed behavior.

The book of Proverbs is a collection of wise sayings that help us look at our thinking and attitudes. If we can take some of these proverbs and apply them to our lives, the wisdom of God will work in us to help us have the mind of Christ. Over the next two months, pray especially for wisdom and understanding for yourself and the people you love.
